

East Bay Camp & Retreat is here to collaborate with you in the mission of making disciples of Jesus Christ for the transformation of the world. We offer not only summer Christian camping and an inspirational setting for retreats year round, but also a setting in which members of our United Methodist Churches can express God's call upon all Christians to reach out and serve. Often our work volunteers are even able to learn new skills. We look forward to hearing from you and seeing you at camp this season. Do not hesitate to call us and share how we can help you. See you at camp!

At East Bay Camp & Retreat

2012 Work Camp Weekends

East Bay Camp & Retreat is planning 2 work camp weekends in April 2012. We welcome you to join us in preparing for summer camp.

- April 14-15
- April 28-29

We will be working from 9am-4pm on both days. You are welcome to join us for any part of the weekend. Lunch is being provided for your work crew. Lodging is available for those interested in staying overnight at half price. Breakfast and dinner is an option that can be added on to your stay. The pool will be open for an evening swim to any group choosing to spend the night. Please call us to sign up or if you have any questions.

Or come when you can!

We are excited to have work groups out at any time of the year. We are more than willing to plan around the time frame that your group is available. If you are interested in a week-long work camp please contact our Site Manager at 309.365.7531

Time, talent, and treasures

Every great recipe has an ingredient list. The selection and the availability of the ingredients is very important. If you're missing the marshmallow, how could it be a S'more?

East Bay Camp & Retreat is like a recipe. It needs people to care for it, love it, and invest time in it. Here are some of the ingredients our mission requires:

- **Time.** We have projects that require hands-on-deck and boots-on-the-ground. We need people that are willing to work alongside us to get these projects done.
- **Talent.** There are projects that require licenses and professional skills that we can not afford to hire out or that require special tools of the trade to see them accomplished.
- **Treasures.** Nearly all of our projects require the purchase of materials. We are actively searching for the funding in order to see these updates and repairs are completed.

Some specific needs

Year around:

- Painting
- Cutting, splitting, and stacking firewood
- Building an archery course
- Cabin remodel
- Shower house remodel

To help us get ready for summer camping:

- Landscaping
- Tree clean-up at camp sites
- Clean up cabin and shower houses and restock cabins with mattresses
- Clean up and cut back hay rack trails and walk paths
- Build or fix picnic tables and benches
- Setup the beach, boats, and waterfront toys.
