

Good News! Help is Available!

Our church is a member of the United Media Resource Center, a lending library of Christian materials! Located in the United Methodist Center in Springfield, you can have items sent to the church or your home address.

The UMRC contains a variety of resources for pastors, Sunday school teachers, committee members, small groups, men's/women's groups, youth groups, and children's ministries as well as resources for personal spiritual growth.

There is no rental fee to borrow resources; borrowers pay only postage costs.
